

CARE DOLL DRESS

This is a simple quick knit dress for the OKT care dolls. The back and front are exactly the same pattern. I used 8ply (DK) yarn and 4mm needles. You will get a few dresses out of a 100gm ball of wool.

BACK AND FRONT OF DRESS (knit 2)

Cast on 48 stitches.

Knit 3 rows of garter stitch (every row is a knit row)

Row 4 (Right side of work): *Knit 4, Purl 2 and continue from * to end of row

Row 5: *Knit 2, Purl 4 and continue from * to end of row

Repeat rows 4 and 5 (13 times, i.e. 26 rows)

Row 32: *Knit 3 stitches together and repeat from * to end of row (16 stitches)

Knit 19 rows of garter stitch

Cast off 10 stitches, knit 3 stitches, cast of remaining 3 stitches. Cut yarn.

On wrong side of work, rejoin yarn to remaining 3 stitches and knit 27 rows of garter stitch (this is the strap you are working on). Cast off the 3 stitches.

To make up:

Join the side seams. Sew the straps in place (one strap will be sewn to the front of dress and the other strap will be sewn to back of dress)
